ENROL TODAY

TAFE NSW
How do I join?
After enrolment obtain a TAFEcard at your campus. Your TAFEcard is your Library card and can be used at any TAFE Library, including the Central Coast Campus at Ourimbah. It should be retained for any future courses. You must have your TAFEcard or proof of student enrolment with you to borrow.

What can I borrow?
A total of 15 items may be borrowed. Limits may apply on various collections and items on high demand.
- You cannot borrow if you have overdue items
- Penalties may apply to overdue items

How do I renew my loans?
Renewals can be made on loans TWICE, providing the item is not overdue and no one has reserved it. Contact your library to renew items ON or BEFORE THE DUE DATE.

You may renew your loans online by logging into My Account in the TAFE NSW Library Network Catalogue. You will need to obtain a PIN from your Campus Library Staff in order to do this.

What can I do if the item is out?
Library staff can place holds for you on items which are currently on loan. You can also use the Hold Request form on the library website.

Where do I return items?
All loans should be returned to the Library from which they were borrowed.

Inter-Library Loans
Books and other items not held by this library may be borrowed for you from another TAFE library, provided that it is essential for your course.

Borrowing from Newcastle University
Members of Hunter TAFE Libraries in good standing may apply to join the University of Newcastle Library. Please see TAFE Library staff for details.

Can I get help finding information?
Library staff provide individual and group tuition on:
- Accessing information in the library
- Searching online information sources

Please ask the library staff for assistance or to book a short tutorial.
