LIBRARY RENOVATION

We did a bit of library renovation in the non-teaching weeks, removing all the books from the shelves & having the shelves cut down to allow a lighter, more spacious look. Unfortunately we had a separate incident of water damage at the same time, so at present we are waiting on replacements for 4 student computers and a number of book resources. The hospitality section was mainly affected with losses in preserving, spices, herbs, beer & liqueurs. If anyone is needing anything in this area let us know & we will obtain them from other libraries. Thanks to all who attended our ‘Welcome to Campus’ Morning Tea. We had our biggest attendance yet!
